### Closing A Withholding Tax Account

You must notify the Missouri Department of Revenue (Department) to close your employer withholding tax account. The Department will not automatically close the account because you stop making payments and stop filing returns.

If any of the following apply, you should complete Form MO-941F to close your employer withholding tax account:

- You no longer do business in the state of Missouri.
- You no longer have employees working in the state of Missouri.
- You have any change of ownership.
- Your Federal Employer Identification Number (FEIN) has been changed and you have been issued a new FEIN.

Failure to notify the Department that you have closed your account will cause non-filer notices and estimated tax liabilities to be issued. If you receive a non-filer notice, you must complete a return and remit the actual amount of tax withheld or submit a zero return, whichever applies. Failure to do so will result in further collection activity on the estimated tax liability, until your account is resolved.

Mail your Employer's Withholding Final Report (Form MO-941F) to the Missouri Department of Revenue, Taxation Division, P.O. Box 3300, Jefferson City, MO 65105-3300.

**Please Note:**

If you are also registered for sales tax, a separate final sales tax return must be filed in order to close your sales tax account.
